

# NYPD frisks people of color more often

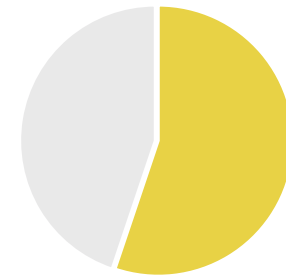

After being stopped, not everyone gets treated equally: Black and Hispanic people are frisked more often than white people.

Of the total number of 11,950 **black people** stopped, **71% were frisked**

Of the total number of 5,090 **hispanic people** stopped, **66% were frisked**

Of the total number of 2,514 **white people** stopped, **55% were frisked**
